

Kamloops Minor Hockey Update

Rep Tryout lists and groups are now posted on the rotator on the KMHA website. They will be starting August 31st. If you have not participated in the KMHA Summer Sessions please familiarize yourself with the KMHA Return to Play Plan Part 1 as we are strictly adhering to those guidelines.

Although VIA Sport announced on August 24th they were moving into Phase 3 Progressively Loosened, we are still waiting on the interpretation of what that means. We are also waiting on direction from the City of Kamloops and BC Hockey, as we need to adhere to their requirements as well.

We do know that Kamloops City Council approved opening of Valleyview Arena, however this still leaves us short 3 arenas to fulfill our ice requirements. We have no dates anticipating when the other arenas in Kamloops might open. We ask you to BE PATIENT. We can only provide you with the information we receive and when the puzzle pieces do not fit together the challenges are great. Our goal is to get your kids back on the ice playing hockey, but we must all be cooperative and understand the obstacles slowing the process. Once we receive more information we will update you in a timely manner.

Thank you for your cooperation.

Be kind and be safe!
