REFEREES

❑ Pre Game Process

- Select the team you want to validate roster
- Repeat same process for the other team
- Make sure Team Official have signed

❑ End Game Process (Next Slide)

- Select the team you want to validate roster
- Repeat same process for the other team
- Make sure Team Official have signed

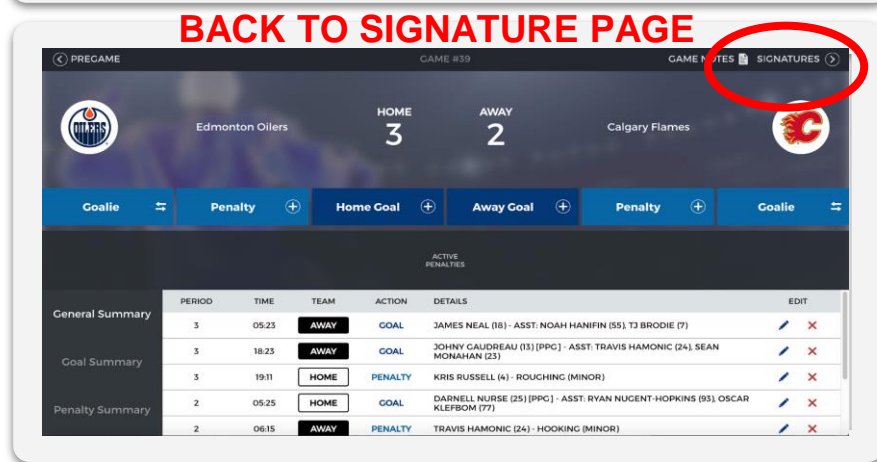

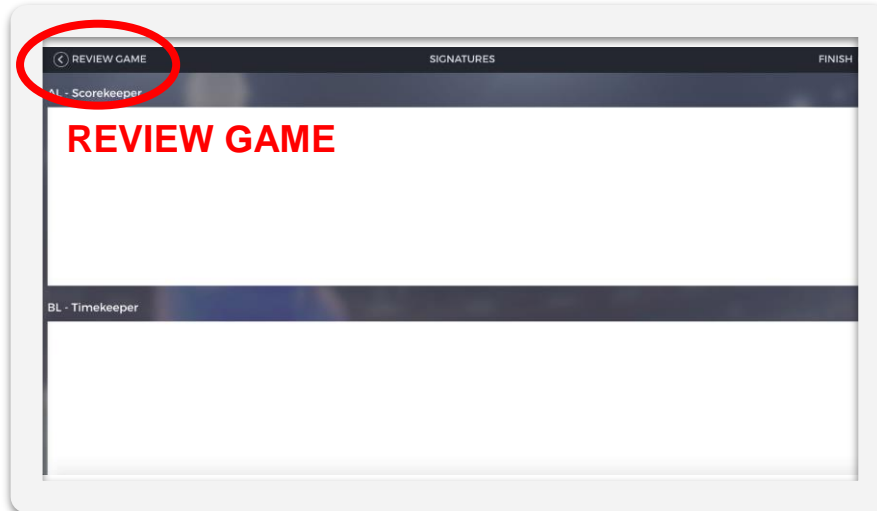

REFEREES

Pre Game Process

- Select the team you want to validate roster
- Repeat same process for the other team
- Make sure Team Official have signed

End Game Process

- Before scorekeeper and timekeeper sign, referee need to review game events in order to validate if everything is as expected
- When the referee is done she or he can go back to Signature page
- If there were major penalties and the referee needed to do a report, you can add her or his email before the end game process is completed

REFEREES

Key in your email address and hit **SUBMIT**

The image shows a software interface for referees. At the top, there's a header with a back arrow and 'REVIEW GAME' on the left, and 'SIGNATURES' on the right. Below this is a large grey area for signatures. A small modal dialog is open in the center, titled 'Add Email', with the text 'Send scoresheet to additional email?' and two buttons: 'Yes' (circled in red) and 'No, Submit'. A red arrow points from the 'Yes' button to a larger modal on the right. This larger modal is titled 'Send Scoresheet' and has a close button (X) in the top right. It contains the text 'Please enter any additional email(s) below', an 'Email' input field, and the message 'The scoresheet is automatically sent to a team representative.' At the bottom of this modal are 'Cancel' and 'Submit' buttons. The background of the main interface has some scribbled lines.
