

Female A Rep

KMHA intends on hosting a female A rep team in U13, U15, & U18.

U13 Female A: This team is a Kamloops based team run by KMHA. Registration and tryout fees are paid to KMHA.

U15 & U18 Female A: These are OMAHA Zone teams open to players throughout the region. These are Kamloops based team managed by OMAHA. Registration and tryout fees are paid directly to OMAHA.

U13 Female A: The intent is to have 15 skaters and 2 goalies on the team if the numbers and ability are there. If your child is selected for the U13 Female A team, there is an additional fee to KMHA to cover the extra costs, including additional ice time. This is called a carding fee and it is set at \$450. The U13 Female A team will have a team budget, voted on and approved by the parents, to cover expenses for the season. Those expenses include tournaments, apparel, team functions, and any other items the team agrees on. This team will receive two full ice practices per week. One practice will be in the late afternoon/early evening and the second could be an afternoon/evening or a weekday morning at 6:00am before school. The practice times will be the same day and time throughout the season. Female Rep teams will travel for league games within the Thompson/Okanagan. In some circumstances, teams could travel outside of the region for a league game. Teams may attend up to 3 out of town tournaments and host one home tournament.

U15 & U18 Female A: These teams are managed by OMAHA and will follow the OMAHA regional policies.
