OMAHA Memorandum: 2025-2026-001

April 10, 2025

To: OMAHA Association Presidents

OMAHA is pleased to announce the launch of our new website. It is now active at [www.omahahockey.ca](http://www.omahahockey.ca). With feedback from our member associations about the challenges navigating the old site, we have redesigned the new site in an effort to make it much more user friendly. The website still has some updates that will take place over the next couple of months prior to season start up. Some of the changes include:

- Links to registration forms
- Easier navigation for league schedules and standings. An example is here: <https://omahahockey.ca/u18-rep/>
- Forms will be upgraded to fully fillable pdfs
- Is set up to work efficiently on both mobile and desktop

Currently with still being linked to Spordle with game sheets, googling 'omaha hockey' will most likely provide Spordle links. The more use our new website gets, the quicker those results will populate in Google searches and end up closer to the top.

Thank you
