

Rep Registration 2026/2027

U11 Development

All players who want to try out for U11 Development will register through KMHA registration. Select "**U11 Development Tryouts**" in the registration process. This is the same process as previous years. Registration opens June 2nd.

U11 Female Development

New for the 26/27 season. We will have a U11 Female Development team competing in a league. All players who want to try out for U11 Female Development will register through KMHA with all fees going to KMHA. Select "**U11 Female Development Tryouts**" in the registration process. Registration opens June 2nd.

U13 Female A

All players who want to try out for U13 Female A will register through KMHA registration. Select "**U13 Female Rep Tryouts**" in the registration process. This is the same process as previous years. Players from neighbouring associations will have to complete a "Permission to Tryout Form" and pay the tryout fee to be included. Registration opens June 2nd.

U13 Tier 1,2,3,4 (Rep A)

New Process

For the 2026/2027 season, the U13 Tier 1 tryout process will change. With the Rep A zone now aligned with the Tier 1 regional zone model, all U13 Rep tryouts will be conducted together rather than through a separate tryout.

To be included in the U13 rep tryouts, KMHA players must register separately for tryouts in addition to completing their regular KMHA registration.

1. You must register through KMHA and select "**U13 Rep**". There is no tryout fee attached to this registration because the tryout fee will be paid on the next step.
2. You must register for U13 Rep A tryouts through the link below

U15 Tier 2,3,4 (Rep A)

New Process

To be included in the U15 rep tryouts, KMHA players must register separately for tryouts in addition to completing their regular KMHA registration.

1. You must register through KMHA and select **“U15 Rep”**. There is no tryout fee attached to this registration because the tryout fee will be paid on the next step.
2. You must register for U15 Rep A tryouts through the link below
